

AN ASSET-BACKED AFRICAN GROWTH PLATFORM

A proven coastal developer, opening a licensed entry into energy.

Haji Mukhtar Properties & Petroleum Ltd pairs a delivered real-estate track record on the Mombasa coast with a licensed, disciplined entry into downstream energy — the proven business funding and de-risking the next. We are raising capital to build downstream infrastructure at East Africa's fuel gateway.

ENERGY · A LICENSED ENTRY

We hold a Petroleum Business Licence for the **export and wholesale** of petroleum products (except LPG) under the Petroleum Act 2019 — **Licence No. EPRA/PET/12195**. Licensing is the hardest barrier to entry in the sector, and it is already cleared.

- SECURED ✓ EPRA export & wholesale petroleum licence.
- PHASE 1 · NOW Greenfield storage & depot capacity — development stage.
- PHASE 2 Wholesale & bulk supply across the corridor.
- PHASE 3 Retail & marine supply (subject to further licensing).

STRATEGIC & JV PARTNERSHIPS

We engage selectively with strategic, institutional and joint-venture partners on the expansion of our downstream energy platform.

RESPONSIBILITY

Proud supporter of the Mombasa Coast Conservation Group — backing shoreline and marine conservation along the coast we build on.
